

# Western Australia White Card Training

*CPCWHS1001 Work safely in the construction industry*

## TCP TRAINING

### COURSE DESCRIPTION

This course is **accredited** and **approved by WorkSafe WA** providing students with the necessary information and skills to safely enter and work on a construction site. Without a White Card, you cannot enter a construction site let alone work on one.

Our course is led by expert trainers who engage students in practical hands-on learning in a face-to-face setting. Once competent, certification is fast with students receiving their physical White Card on the same day and their Statement of Attainment within 24 hours.

### YOUR COURSE

- **Price:** \$95 \*
- **Duration:** 6 hours + breaks
- **Course Validity:** On-going unless inactive in the construction industry for 2 consecutive years or longer
- **Training Location/s:** Suite 13, 2 Ambitious Link, Bibra Lake WA 6163 \*

\*(subject to change, please visit [www.tcptraining.com](http://www.tcptraining.com) for current details)

### SKILLS GAINED

This course covers skills to:

- identify and report common construction hazards;
- understand basic risk control measures;
- identify procedures for responding to potential incidents and emergencies; and
- correctly select and fit common personal protective equipment used in construction.

### ENTRY REQUIREMENTS

- Suitable language, literacy and numeracy skills for classroom-based learning using paper assessment
- Minimum 14 years of age
- Must be located in Western Australia
- Provide valid photo ID and proof of WA address

### YOUR ASSESSMENT

Assessment is completed within the 6-hour course and is made up of:

- Multiple choice questions
- Short answer questions
- Oral questions
- Practical demonstration
