CHC33015 Certificate III in Individual Support (Disability)

COURSE DESCRIPTION

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

SKILLS GAINED

- Following safe work practices
- Supporting independence and well being
- Working with diverse people
- Working in health and community services
- Working ethically and legally
- Provide first aid
- Providing individualised support
- Following established person centred behaviour support
- Empowerment of people with disability
- Supporting community participation and social inclusion

YOUR COURSE

- 2x weekly workshops
