CHC50113 Diploma of Early Childhood Education and Care

Course Description

This qualification reflects the role of early childhood educators who are responsible for designing and implementing curriculum in early childhood education and care services. In doing so they work to implement an approved learning framework within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They may have responsibility for supervision of volunteers or other staff.

This course has been developed as a flow on course from the Certificate III in Early Childhood Education and Care qualification. Student who undertake this course would have already completed a Certificate III in Early Childhood Education and Care. They would gain Credit transfer for the cross over units.

Skills Gained

- Establish and implement plans for developing cooperative behaviour
- Nurture children's creativity
- Promote children agencies and their benefits
- Establish and maintain a safe and healthy environment
- Sustainability practices
- Design, analyse and implement curriculum
- Facilitate compliance
- Lead the work team
- Strategies for inclusion

Your Course
