Duty of Care for Workers

(16601)

COURSE DESCRIPTION

This course has been developed to provide an understanding of duty of care responsibilities in the workplace.

Learning Outcome

After completing this course, you will understand:

- work, health and safety (WHS) responsibilities, which are otherwise referred to as duty of care responsibilities, and
- your responsibilities as a worker.

You'll also gain a practical understanding of how you are required to fulfil these responsibilities.

Course Features

- Adaptics - Kineo's unique approach to refresher training
- professional audio
- animation and interactivity
- WCAG 2.0 accessibility
- mobile compatibility
- formative assessments, and
- a certificate of completion.

Audience and Duration

This course provides duty of care training for those performing the role of a worker. If you're a supervisor or in a senior management role in your organisation, then you should complete the duty of care course that relates to your role.

Duration: 25 minutes
