Understanding Dementia 2 – Person Centred Care

(20137)

COURSE DESCRIPTION

This course has been developed to help the learner provide person centered care that is tailored to the individual needs of people suffering from dementia.

Learning Outcome

Working with people who have dementia is not easy. It can be upsetting, trying and challenging, but it can also be very rewarding and satisfying.

This series is made of up five courses, each providing training in different aspects of dementia care.

- the work of Professor Tom Kitwood and the origins of PCC
- the problems with traditional ways of providing dementia care
- the four key elements of PCC, and
- positive steps towards implementing PCC.

Course Features

- Adaptics - Kineo's unique approach to refresher training
- professional audio
- animation and interactivity
- WCAG 2.0 accessibility
- mobile compatibility
- formative assessments, and
- a certificate of completion.

Audience and Duration

This series is aimed at anyone who knows or is responsible for caring for someone with dementia.

Duration: 50 minutes
