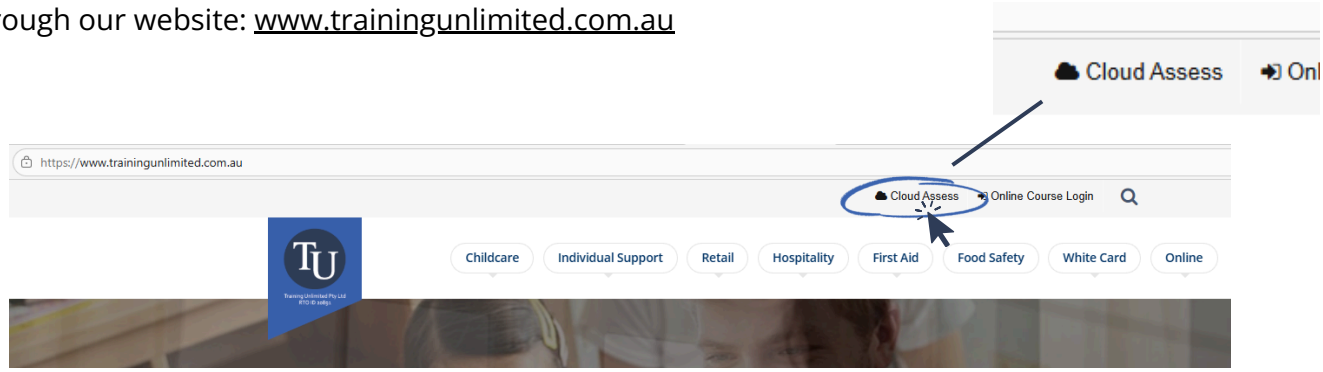
Cloud Assess Navigation

A guide for new trainees when navigating units, tasks and resources on Cloud Assess

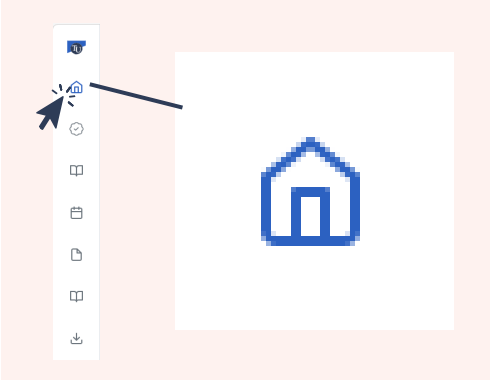
Logging in to your Cloud Assess account

Log in through our website: www.trainingunlimited.com.au



Enter your username and password or select 'forgot password' to reset it through your email.

'Home' Page



On the left hand side of your screen you will see our logo and 7 different icons underneath it.

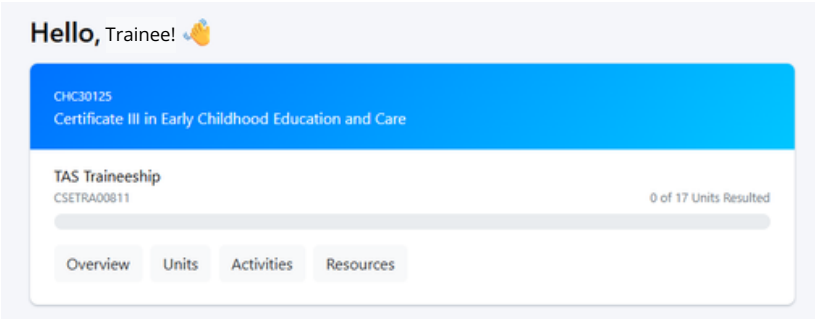
Always remeber to click on the 'home' button to get to your dashboard where you can view your tasks for the unit.

Units and Tasks

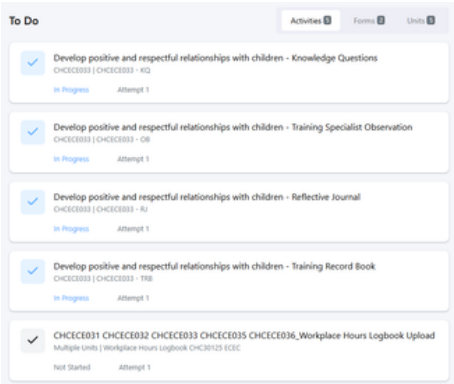
Your qualification is made up of Units of Competency (Cert III - **17** and Diploma - **15**)

Each Unit of Competency includes a variation of tasks for you to complete to a satisfactory standard. Once all tasks are completed to a satisfactory standard, you are deemed competent in that unit, and your trainer will release the next unit.

Your overall qualification progress can be seen here:



Tasks for the released unit/s are in your 'To Do' section.



For unit specifc information, please see the first page of the Knowledge Questions (Student Instruction and Q&A).
